

WellSpace Health Job Opportunity Opening

Position Open: Physician Assistant

Status: Full-Time, Regular

Reports To: Chief Medical Officer

Department: Medical

Open Date: Ongoing

Closing Date: Until Filled

Contact Name: Francisco Aguirre

Contact Information: faguirre@wellspacehealth.org

Organization Information:

WellSpace Health is one of Sacramento's premier non-profit organizations proudly serving the homeless and underserved community of Sacramento for over 40 years. We offer professional services including: high quality primary health care; family planning; women's health including OB; immunizations; well child care and testing; diagnosis and treatment; addiction treatment; mental health counseling and pediatric dentistry.

We are a leader in integrated care, blending physical health services with our well-known addiction and mental health treatment. We also offer a range of medical products through community partnerships including our T3 Program (Triage, Transport and Treat) that reduces Emergency Room overcrowding and our Interim Care Program (ICP) that reduces medical relapse following hospital discharge. In 2010 we have opened the first pediatric dentist clinic in the Sacramento area for our community.

Summary Statement:

Performs direct patient care in the medical office setting under the supervision of a physician. The Physician's Assistant obtains medical histories and performs medical evaluations on clinic patients, treats medical problems, maintains records, and provides health education.

Flexible work hours are provided and no weekend work schedule.

Required Qualifications (Knowledge, Skills, Abilities, Education, Training, and Licensure):

- Bachelor's Degree in Health Sciences, etc.;
- Graduate of an accredited Physician's Assistant Program;
- NCCPA Certified;
- Licensed in the State of California as a physician's assistant;
- Registered with the Drug Enforcement Administration (DEA) if applicable;
- Current BCLS, ACLS, PALS certifications;
- Current liability coverage;
- Must complete 100 hours of CME every two (2) years and take the recertification exam every six (6) years;
- Must be supervised by a physician;
- Scope of practice is related directly to the PA's supervising physician and individual state laws;
- Able to communicate effectively in English, both verbally and in writing;
- Additional languages preferred;
- Basic computer knowledge.

Benefits:

Successful candidate will receive regionally competitive salary, above average health benefits at reduced costs, company paid life insurance & long term disability insurance, additional voluntary retirement plan with company match and no vesting schedule requirement.

- Paid bereavement and jury duty leave.
- 10 paid holidays per year.
- 160 hours of PTO (for full-time work, 40 hours a week).
- Flexible Spending Program.
- HRSA Student Loan Repayment Program available for providers and nurses.

WellSpace Health Job Opportunity Opening

- Company paid malpractice insurance for all providers.
- Professional development hours and allowance offered annually.
- In-house management and leadership training.

Physical Demands and Work Environment:

The work environment is characteristic of clinic environment. The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. While performing the duties of this job, the employee is frequently required to sit; use hands to finger, handle, or feel. The employee is also required to stand; walk; and reach with hands and arms. The employee must occasionally lift and/or move up to 20 pounds. Specific vision abilities required by this job include close vision, distance vision, and the ability to adjust focus. The employee must also possess hearing and speech to communicate in person and over the phone. The noise level in the work environment is usually quiet to moderately loud; incumbent must be able to focus in an environment with many distractions.

The employee may be in contact with individuals and families in crisis who may be ill, using substances and/or not attentive to personal health. The employee may experience a number of unpleasant sensory demands associated with the client's use of alcohol and drugs, and the lack of personal care. The employee may also be exposed to bodily fluids (blood, urine) and hazardous chemicals. The employee must be ready to respond quickly and effectively to many types of situations, including crisis situations and potentially hostile situations.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

I have read and understand the contents of this job description.
