Triage Nurse

Reports To: Regional Manager

Open Date: April 3, 2017

Contact Name: Andrea Jordan

Status: Full-Time, Regular

Department: Medical

Closing Date: Until Filled

Contact Information: ajordan@wellspacehealth.org

Organization Information:

WellSpace Health is one of Sacramento's premier non-profit organizations proudly serving the homeless and underserved community of Sacramento for over 40 years. We offer professional services including: high quality primary health care; family planning; women's health including OB; immunizations; well child care and testing; diagnosis and treatment; addiction treatment; mental health counseling and pediatric dentistry.

We are a leader in integrated care, blending physical health services with our well-known addiction and mental health treatment. We also offer a range of medical products through community partnerships including our T3 Program (Triage, Transport and Treat) that reduces Emergency Room overcrowding and our Interim Care Program (ICP) that reduces medical relapse following hospital discharge. In 2010 we have opened the first pediatric dentist clinic in the Sacramento area for our community.

Summary Statement:

Provides direct and indirect patient care in the clinic setting. Provides care that reflects initiative, flexibility and responsibility indicative of professional expectation with a minimum of supervision. Determines priorities of care based on physical and psychosocial needs, as well as factors influencing patient flow through the system. Communicates with outpatient clinic physicians about changes in patient's status, symptomatology and results of diagnostic studies. Is able to respond quickly and accurately to changes in condition or response to treatment.

Required Qualifications (Knowledge, Skills, Abilities, Education, Training, and Licensure):

- Graduate of an accredited school of nursing with up to six (6) months Registered Nurse experience;
- Current RN license within the state of practice;
- Current California nursing license, labor & delivery, antepartum or postpartum experience mandatory;
- Current BCLS certification;
- OBGYN setting experience;
- Able to communicate effectively in English, both verbally and in writing;
- Additional languages preferred;
- Basic computer knowledge;
- Maintains patient confidentiality at all times;
- Completes annual educational requirements;
- Complies with all organizational policies regarding ethical business practices;
- Represents the organization in a positive and professional manner in the community.
- Travels to North Highlands, Rancho Cordova, Alhambra, Oak Park, San Juan and Health Care for Women locations;
- Adhere to an 8 hour shift requirements working 7 am and 6pm schedule.

WellSpace Health Job Opportunity Opening

Benefits:

Successful candidate will receive regionally competitive salary, above average health benefits at reduced costs, company paid life insurance & long term disability insurance, additional voluntary retirement plan with company match and no vesting schedule requirement.

- Paid bereavement and jury duty leave.

- Company paid malpractice insurance for all providers.
- Professional development hours offered annually.
- In-house management and leadership training.

Physical Demands and Work Environment:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. While performing the duties of this job, the employee is frequently required to sit; use hands to finger, handle, or feel. The employee is also required to stand; walk; and reach with hands and arms. The employee must occasionally lift and/or move up to 20 pounds. Specific vision abilities required by this job include close vision, distance vision, and the ability to adjust focus. The employee must also possess hearing and speech to communicate in person and over the phone. The noise level in the work environment can range from quiet to moderately loud; incumbent must be able to focus in an environment with many distractions.

The employee may be in contact with individuals and families in crisis who may be ill, using substances and/or not attentive to personal health. The employee may experience a number of unpleasant sensory demands associated with the client's use of alcohol and drugs, and the lack of personal care. The employee may also be exposed to bio-hazardous materials (bodily fluids including blood and urine) and hazardous chemicals. The employee must be ready to respond quickly and effectively to many types of situations, including crisis situations and potentially hostile situations.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
